~ **NOTICE** ~
Construction

Due to delays, restoration on the Michipicoten River Village Water Tower has been changed to the months of **October and November 2017**. Please be aware of all construction equipment during this time. You may experience a decrease in water pressure during this project.

If you have any questions please feel free to call the Infrastructure Services Department at 856-2244 ext. 251.

The Infrastructure Services Department would greatly appreciate your cooperation during this time.
