

INSPECTION

Inspection of Approved Aerial Herbicide Project Nagagami Forest

The Ontario **Ministry of Natural Resources and Forestry (MNR)** invites you to inspect the MNRF-approved aerial herbicide project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Nagagami Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about **August 5, 2021**.

The approved project description and project plan for the aerial herbicide project is available electronically for public inspection by contacting the **First Resource Management Group** during normal business hours and on the Natural Resources Information Portal at <https://nrip.mnr.gov.on.ca/s/fmp-online> beginning **July 6, 2021 until March 31, 2022** when the Annual Work Schedule expires.

Interested and affected persons and organizations can arrange a remote meeting with MNR staff to discuss the aerial herbicide project. For more information, please contact:
