

INSPECTION

Inspection of Herbicide Project for White River Forest

The Ontario **Ministry of Natural Resources and Forestry (MNR)** invites you to inspect the planned herbicide project for the 2023 season. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **White River Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 20, 2023**.

The project description and project plan for the herbicide project is available electronically for public inspection by contacting Nawiinginiima Forest Management Corporation - NFMC during normal business hours and on the Natural Resources Information Portal at <https://nrip.mnr.gov.on.ca/s/fmp-online> beginning **July 18, 2023 until March 31, 2024** when the Annual Work Schedule expires.

First Nation and Métis communities and interested and affected persons and organizations can arrange a remote meeting with MNR staff to discuss the herbicide project. For more information, please contact:
